

Affordable Ethernet

Enable networking for Motorola's most affordable Mobile Computer the MC2100. Leverage existing networks and broadband to get the most out of the MC2100 series.

Model# PSCMC2100UE
Kit Model# PSCK-MC2100UE
(Includes Cables and Power Supply)

10/100 Mbps Ethernet

Preferred solution for high-speed applications

USB Mini-AB Port

Great fit for convenience stores and retail outlets

Simultaneous Charging and Network Connection

Compact

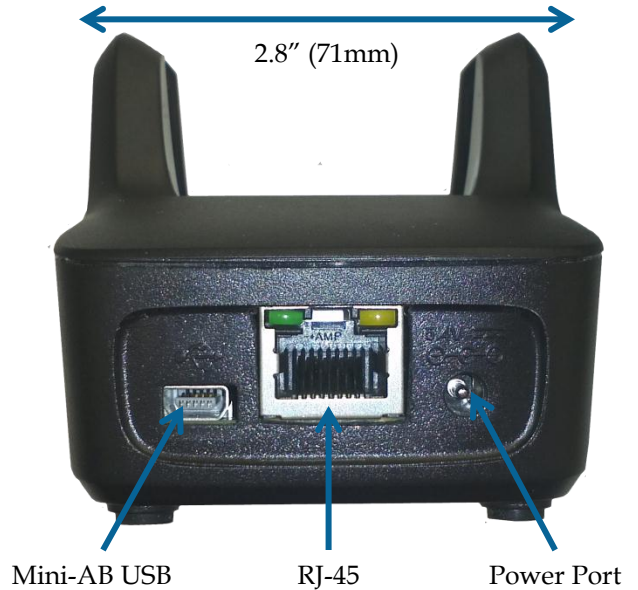

Like the MC2100 itself, the PSCMC2100UE cradle has a small footprint and enables a direct connection to Ethernet networks, providing Internet or Local Networking, as well as a USB port for connecting to PCs or other USB peripherals.

Affordable

Just as the MC2100 delivers significant value to the cost-conscious customer, the PSCMC2100UE cradle's efficient design provides network connection options at the best value for the dollar.

Simple

Network connectivity can be a challenge in the enterprise. The PSCMC2100UE is designed to make it simple. Dock the MC2100 handheld in the cradle and network connection occurs automatically as your device is charged.

Ethernet Port

- 10/100 Mbps Ethernet
- RJ-45 Connection

USB Port

- Mini-AB Receptacle

Power

- 5.4v, 3A (Part# 190453-000LC)

Environmental

- Temp 0 - 50 C°
- Humidity 90% Non-condensing

Single Packaging Contents

- PSCMC2100UE Cradle
- Warranty and Support Card

Kit Packaging (PSCK-MC2100UE)

- PSCMC2100UE Cradle
- Warranty and Support Card
- 5.4v, 3A Power Supply
- U.S Compatible Wall Line Cord
- 6' RJ-45 Ethernet Cable
- USB Cable (190191-000)

Regulatory and Certifications

- FCC Class B, ICES-003
CE Mark, C-TICK
- UL, RoHS

Software Information

- Requires software driver for Windows CE. Portsmith PSDUE-CE6 Driver available at:
www.portsmith.com/PSDUE

Compatibility and Configuration

- The PSCMC2100UE is compatible with Mobile Computers from Motorola Solutions.
- Supports MC2100 and MC2180 Mobile computers running Windows CE 6.0. See details at www.portsmith.com.
